THE SOUL OF DADDEE BLU

»Daddee« is a nickname – warm, playful, almost like a character from an old Italian family. Someone who knows his wine, grills the zucchini just right, and tells stories you can almost taste.

At the same time, »Daddee« stands for the full spectrum of Mediterranean cuisine – for sharing, savoring, and simply being together.

»Blu« represents the sea – the vastness of the South, the deep blue of the coast, the salt on your skin, the lemon oil on your fingers.

It's like stumbling into a small café somewhere along the Mediterranean at sunset – the scent of toasted bread in the air, a dog dozing in the corner, glasses clinking, someone laughing.

And on the table? Mezze to share, homemade manti, fluffy bread, golden eggs, and sweet pistachio cream – paired with coffee or a spritz that tastes like wanderlust.

Daddee Blu isn't just a place – it's a feeling.

GOOD TO KNOW

Where are our dogs?

Our Goldies, Pera and Iva, are off duty on weekends, holidays, and busy days. During the week, they're available for brunch – but only if they're in the mood! Petting? Only by invitation! And please, don't disturb them when they're sleeping or chilling.

Oh, and just so you know: Our kitchen is for humans only – no brunch for the furry ones, no matter how cute they look at you. Thanks and enjoy your brunch!

Laptop at the table?

On weekdays, yes – if it's not too busy. On weekends and peak hours, we kindly ask you to keep them away. Thanks for understanding!

Ready to pay?

Just swing by the register at the bar.
Card payments start at €5 – and yes, tips are welcome via card! If you prefer, feel free to drop some cash in our „Need Money for Porsche" jar. Thanks a lot!

Got something on your mind?

Then talk to us directly – not Google! Praise belongs online, but if you have any concerns, bring them to us. Our goal is for you to leave happy, and the best way to do that is by solving any issues right here – not when you're already cozy on the couch.
